ABOUT US

how WE can help

Ms. Fields

"I have lived in my home for 22 years. The work that RTI has done will mean a whole new life for me."

Ms. Crenshaw

"The work done means a lot. I could not have done this on my own. I'm so grateful!"

Ms. Walker

"It's such a win to have so many volunteers out here that are so willing to help others. This is such a blessing."

For almost 25 years, Rebuilding Together Indianapolis has been providing repairs – both small and large– in some of Indy’s most vulnerable communities.

COMMUNITY IMPACT

WE REPAIR 10-15 HOMES A YEAR

MORE THAN 40 HOMES REPAIRED IN NEAR NORTHWEST

WE SPEND BETWEEN \$2,500-\$5,000 PER HOME

“Rebuilding Together Indianapolis has been working in our community for more than 20 years to allow our community members to age gracefully, safely, and happily in their homes. With the help of our supporting members, we are able to provide home repairs, create healthy homes, and reduce predatory home buying practices impacting our neighbors.”

Ryan Taylor, Past RTI Board President

“Investing in our neighborhoods is an essential part of our city’s progress. When organizations like Rebuilding Together Indianapolis are able to provide critical assistance and repairs to homeowners in need, we create an environment that supports permanent, stable housing for our residents and a healthier city overall.”

Mayor Joe Hogsett, City of Indianapolis
